### EXAMINER'S COMMENT

The claims objections under 37 CFR 1.75(c), and rejections under the second paragraph of 35 U.S.C. 112, indicated in the prior Office action mailed July, 1, 2004, each have been withdrawn in view of applicant's cancellation of claims 1-11.

### REASONS FOR ALLOWANCE

Claims 12-22 are allowed.

The following is an examiner's statement of reasons for allowance: In the response filed 30 September 2004, applicant's stated that claims 1-11 have been rewritten as new claims 12-22. The indication of allowability to claims 1-11 was indicated in the prior Office action. Regarding claims 16 and 19, the prior art of record fails to teach or suggest a multiple-function hanging and fastening device to at least having the structural combination of a casing containing a magnet and a rubber sucker, the rubber sucker inserted into the center hole of the casing, and a turning rod connected to the rubber sucker and moving the rubber sucker between first and second positions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert J. Sandy whose telephone number is 703-305-7413. The examiner can normally be reached on M-F (7:30-4:00).
